

REQUEST FOR QUOTATIONS

The Environmental Investment Fund of Namibia (EIF) in conjunction with the Ministry of Agriculture, Water and Land Reform (MAWLR) is Implementing a climate change adaptation project titled “Improving Rangeland and Ecosystem Management Practices of Smallholder Farmers Under Conditions of Climate Change in Sesfontein, Fransfontein, and Warmquelle Areas “IREMA Kunene Project. The project aims to reduce the vulnerability of smallholder farmers under climate change conditions by safeguarding natural capital that generate ecosystem services to sustain agricultural production systems. IREMA project, under the supervision of the MAWLR, intends to implement a small stock revolving program in the project target areas (Sesfontein constituency and Khorixas district), in Kunene Region.

The objective of this revolving program is to provide quality core breeding flock of goats (suitable for the arid conditions prevailing in the Kunene Region) to selected vulnerable households to gain a sustainable means of income generation and enhanced food security.

The Environmental Investment Fund of Namibia: IREMA Kunene Project hereby invites interested individual farmers/ producers to submit quotations:
